

**Straub's, your headquarters for great pre-owned tractor, planter, and drill deals!**

Make sure you are ready to go to the field and plant this spring by stocking up on Seed Flow Lubricant from Straub's. Don't trust your critical crop yields to aftermarket products from the supply stores, when for likely just pennies more you can have genuine Case IH lubricant. We're stocked up for all of your planting and seeding requirements, to keep you in the field this spring.
